RECOMMENDATION

1. I suggest for yearly support to widows as a medium of evangelism and by doing so it's a means to promote the John Pofi foundation (**JPF**) Aims and Objectives.
2. I suggest for a yearly budget proposal in respect to the event and by doing so, that will make a lot of international non-governmental organizations to key in to the aims and objectives of the foundation and that will promote the foundation.
3. I suggest for a comprehensive quarterly and yearly financial report and budget and by that it will build a better infrastructure for the foundation.
